

Join the Friends on a day out to the beautiful city of Salisbury in Wiltshire on Saturday 12th April 2025

Salisbury, is of course, famous for its cathedral, begun in 1200 with the spire added in 1258. This beautiful and historic building, much admired by the KGB, has been painted by many famous artists, including Constable. Nearby is Cathedral Close, the location of the lovely Georgian Mompesson House owned by the National Trust.

Cathedral Close is also where Edward Heath lived when Prime Minister. The Market Place is where the famous Charter Market is held and we have planned our visit to coincide with this. Salisbury also has lots of interesting individual shops as well as the more well known high street stores. There are plenty of places to eat, especially around the Market Place.

Price:- Members of the Friends £30.00; non-members £32.00

There will be one pick only from Churston Library at 8.30 am.

Please ensure your application reaches us before 15th March.

As always Churston Library would appreciate it if people arriving by car would not use the library car park as this is for library users only. The Staff thank you in advance for your co-operation.
